

Dear Parents,

Are your children looking for fun and adventure? Do they need a break from the boredom of summer? What would they think about a week of fun in the sun—digging in the sand, surfing the waves, snorkeling, and playing on the beach?

Our church will be conducting Club VBS®: Beach Blast™—Celebrating God’s Faithfulness, and we would love for your kids to join us! We’ll plunge into a beach adventure filled with Bible stories, music, crafts, snacks, and recreation!

We are happy to offer this “once-in-a-lifetime” adventure to you and your family. We have trained a fine group of teachers for this incredible plunge into Club VBS: Beach Blast. The kids will have fun as we surf through Club VBS: Beach Blast™. Our focus will be digging in and “Celebrating God’s Faithfulness.”

Club VBS: Beach Blast will be an adventure too good to miss. So mark your calendars and don’t let your kids miss this opportunity to dig into Bible study and beach fun!
